

RIISING UP: AUSTRALIAN BAKING INDUSTRY NATIONAL SCHOLARSHIP 2019

Just like a fine loaf of bread, quality always rises. This is why, as part of Mauri's ongoing major sponsorship of the Australian Society of Baking (ABS), we're excited to be supporting the next generation of Australian baking once again through the Australian Baking Industry National Scholarship for 2019.

Expressions of Interest are now open to any young (or young at heart!) Australian with a passion to make a career in baking, with scholarships to be awarded in two categories: (1) bakers aged 18-24 years old; and (2) bakers aged 25 and over.

Prizes include 8 Regional Scholarships with recipients receiving an all-expenses-paid trip to Queensland. 2 National Scholarships will also be awarded, with the lucky recipients travelling to Paris in 2020 for the baking experience of a lifetime!

To register, simply download and complete your entry form [HERE](#).

You'll then receive your free entry kit - complete with questions, full prize details, handy hints, judging guidelines and the rules & regulations. Good luck!
