

**DONUT, PANCAKE & SCONE, SWEET GOODS**

## **CAKE DONUT MIX**

MAURI Cake Donut Mix is a versatile, close textured cake donut mix, pleasantly flavoured with a hint of spice. Formulated for automatic donut robot machines and all other donut frying equipment to give minimum fat absorption.

### **BASIC RECIPE**

<b>INGREDIENTS</b>	<b>WEIGHT (KG OR L)</b>
MAURI Cake Donut Mix	1.000kg
Water (variable)	0.500L

### **METHOD**

#### **STEP 1**

Blend all ingredients on low speed for 1 minute.

#### **STEP 2**

Mix on medium speed for 1 minute.

#### **STEP 3**

Rest batter for 10 minutes before frying at 190°C.

Note: For best results adjust water temperature to give finished batter of 20°C-22°C.
